

#### **BROKER'S COMMENTS**

Superb Dutch high quality built Jade Banks Trawler yacht. She comes with a beautiful handcrafted luxury and spacious interior. Since launch this economical yacht has been slightly used, but no expenses were saved on maintenance since new. Manoeuvring and sea handling is excellent. She is well documented. The engine room is a story on its own: an engineers dream, very neat and clean, that almost looks like new. Overall state is very well, so if you are looking for a fantastic 50 ft GRP Trawler.....
