HANSE 540E

BROKER'S COMMENTS

This Hanse 540E is a great family yacht, offering 3 cabins, all with ensuite bathrooms. Always private owned, never chartered and in good condition. Well equipped with a 6 kW generator, heating through out the whole vessel and a good electronic package. The 540E is a fantastic yacht to steer, the keen auto tack system for the jib makes life easy when up-wind sailing. At anchorage she offers ample space outside to relax. A huge benefit is the spacious tender garage. Inside she is like a modern designed super yacht, lots of headroom and superb living and storage space.
