GRAND BANKS 42 EUROPA

BROKER'S COMMENTS

Probably the best Grand Banks 42 model Europa to be found ... in Europe. Excellent state of maintenance, incredibly neat engine room, low engine & generator hours. Beautiful interior, great teak on deck and flybridge, close to new covers outside. In fact too much to mention to describe her overall state. The two spacious cabins offer comfortable long cruising with a small group. On the huge flybridge, with the dinghy storage room, it is easy to relax. Going out is a pleasure with 2x 300 hp Caterpillar engines, but in return this GB offers still economical usage of 13 l at cruising speed.
