HALLBERG RASSY 352

BROKER'S COMMENTS

All time favourite of many blue water sailors and we offer a very good example. No need to talk about the general quality of a HR 352: known as unbeatable. This yacht benefits a good sail wardrobe, a 2008 new installed engine and a very neat and clean ex- and interior. Safety issues (flares, life raft, etc) all in service, good electronics, technical and maintenance fully up to date. All hull fittings and hoses replaced. Only 1 remark to make, the teak deck "will do for the moment", but needs attention. For that reason we have put a very attractive price on her. Ready to go immediately.
