NAUTICAT 42

BROKER'S COMMENTS

Is the Nauticat 42, known for her safe and reliable sailing performance, the ultimate all-weather sailor? In our opinion she comes very close to that. She offers a giant owners cabin and also a superb living space inside with great panoramic view. The second steering position inside is very comfortable in rough weather conditions. Outside a more than generous cockpit allows you to enjoy in ease with several people. The build quality is very high, the overall state of the yacht is excellent, but at some points she does need a bit, but very small, attention. A great opportunity!
