NORDIA 53 KETCH

BROKER'S COMMENTS

This solidly built ketch-rigged Nordia 53 with an aluminum hull was built by the renowned yacht builder Nordia van Dam in the Netherlands. She is an absolute 'Go Anywhere' yacht and offers space for 4 people in all comfort. Her sole owner has kept her in a well-kept and maintained condition. Very well equipped with a furling mast, furling bezan and 2 Reckmann systems for the headsails are all hydraulic. The Rottrigg, the electric winches, the bow thruster and all the comfortable features of this yacht allow comfortable long trips.
