VALK CONTENT 1300 OK FB

BROKER'S COMMENTS

The Valk Content 1300 OK FB, build by Gijs van der Valk in 2007, is the perfect example of a well built Dutch steel motor yacht. The open cockpit, that could be closed with the covers, in combination with the flybridge provides a large outside living area for almost every time of the year. The Kabola heating system and insulation makes it also possible to stay onboard in the spring and autumn. Inside the Content 1300 you find the owners cabin with a separated bathroom and a well equipped galley. Due to the joystick control, bow and stern thruster she is easily to maneuver.

Tom Reith

SPECIFICATIONS

Dimensions	13.95 x 4.35 x 1.10 (m)	**Builder**	Gijs van der Valk
Built	2007	**Cabins**	1
Material	Steel	**Berths**	2
