

BRIGANTIJN 31 M

BROKER'S COMMENTS

The "Aphrodite" has been built entirely along the line of its predecessors, and designed on the basis of drawings of various classical brigs. The Spirit of bygone ages has been recreated with contemporary luxury by Aent Kingma and his wonderful "Aphrodite". You too can experience the era of merchant vessels of the past and the comforts of the 21st century when you sail on this unique brig. She is in very good condition and is manageable with small crew.
