VAN DER HEIJDEN DYNAMIC DELUXE 1800

BROKER'S COMMENTS

The Van der 1800 Dynamic Deluxe is a high end, luxurious and fully equipped motoryacht. Entering the yacht you will be amazed by the open steering position, large living room and dinette. The Hydrosta remote control makes you able to steer, maneuver and berth this ship from any position at the precise location. Thanks to her strong engines and complete navigation instruments the 1800 is very suitable for larger waters and seas. The two stabilizers (2010) makes this Van der Heijden extraordinary, cruising rough seas and swells is no longer any issue.
