BROKER'S COMMENTS

This custom Van de Stadt Caribbean 40 has a strong 4 mm aluminium hull and superstructure. VAT paid and with the complete history documented on board. Registered by Lloyd's and lives up to what a solid build represents for the experienced sailor. This vessel is thoughtfully designed for safety and light comfort on board. 2 double cabins and 1 complete bathroom joined by a large saloon. Good choice in materials and layout. The yacht offer many possibilities for the next owner.
