BROKER'S COMMENTS

This steel Valkkruiser was built by Gijs van der Valk. Popular model with two cabins layout where the aft cabin is equipped with a French bed and the front cabin with a V-bed. This Valkkruiser is equipped with a spacious saloon and galley which makes a longer stay on board very comfortable. With her reliable DAF 615 diesel engine and powerful bow thruster, this motor yacht has very good sailing characteristics and is good to sail alone. On location in the Netherlands by appointment to visit.
