

PEGIVA THE RETRO SUN

PEGIVA THE RETRO SUN

BROKER'S COMMENTS

The Pegiva Retro Sun is both a traditional and modern design. It is a very good concept in terms of aesthetics and stability. With the addition of Brazilian mahogany inlaid decks, she gets a rich nostalgic look that takes you back to the 50s and 60s. To contribute even better to the nostalgia, she is provided with a stylish sunken convertible roof. With a modern Steyr diesel engine of 285 hp, with a fixed propeller shaft, she sails smoothly and quickly. "Smeralda" has been owned by the first owner since 2010 (70 engine hours). With the double axle trailer it is easy to transport.
