## BROKER'S COMMENTS

Looking for a sloop with; excellent sailing characteristics, lots of space on deck, lots of storage space. Equipped with a charming cabin with an excellent sleeping place for 2 people, a stove, refrigerator and toilet? Then the well-known Jan van Gent 10.35 built in the Netherlands is an excellent choice. Equipped with a large engine and a bow thruster, it is perfectly possible to sail the sloop on both spacious and very limited waters. "Quo Vadis" can be viewed by appointment at her home port in the northwest of the Netherlands.
