VAN ROSSUMVLET 16M

BROKER'S COMMENTS

Built to withstand the test of time, she was designed to outlast them all. After years of service, her owner decided in 1999 that she had the potential to become a robust and comfortable yacht. With the expertise of skilled craftsmen and some help from the renowned Linssen yard, she was transformed into a luxurious liveaboard yacht, for long journeys on inland and offshore waters

Sjoerd Paddenburg
