BENETEAU SWIFT TRAWLER 44

BROKER'S COMMENTS

When Beneteau introduced their innovative line of fast trawler yachts, they meant business. The new Beneteau Swift Trawler 44 can do it all. Next to an abundance of space and accommodations onboard, they made cruising the inland waterways or fast offshore passage possible. You will appreciate the power and reliability and economical cruising that she provides. The 44 model also has an improved interior layout making life onboard even better. Ample space in the cockpit aft as well as on top of the flybridge with great views of the surroundings.
