BENETEAU FIRST 51

BROKER'S COMMENTS

The 1980's era First series yachts designed by German Frers and built in Europe were some of the best boats built by Beneteau . The boats were featured prominently in Ferenc Mate's acclaimed 1986 book "The Worlds Best Boats". This Beneteau first 51-PLIADES- has been excellently maintained and constantly upgraded by her devoted owner. The yacht's teak deck has been replaced and two new MAILAR KEVLAR sails (Main & Genoa) have been added that make the yacht ready for races. A 51f S/Y in turn on key condition and in a very attractive price.
