VAR TENDER 950

BROKER'S COMMENTS

The VAR950 is a unique basic concept for VAR Tenders. She has a regal presence, with a length of 9.5 metres and a width of almost 3 metres. The aluminium ship can accommodate 10 people and has a double cabin in the front. Cosy lighting is installed in the ceiling as well as under the benches, stairs, steps and cupboards. There is hot and cold water from a 100-litre drinking water tank. There is also a toilet facility with a wastewater tank. VAT deductible.
