KANTER 45

BROKER'S COMMENTS

The Kanter 45 a yacht not very often seen in Europe, built in aluminum in Ontario, Canada. Her design makes her perfect for coastal waters, her shallow draft makes use of the canals and inland waters an adventure as well. The yacht has been equipped with two Caterpillar diesel engines (300 Hp/ each), a bow and stern thruster, mooring pole (Hollandia 5,10 mtr), two cabins and 4 beds, each with its own shower and toilet. If you are interested in this Kanter 45, we invite you to visit her in our covered sales marina in Sneek.

Peter Spruyt
