BLAUWE HAND 1300 ROYAL CLASS

BROKER'S COMMENTS

The Blauwehand 1300 Royal Class "Livingstone" is a very well maintained ship that has always been inside. Due to good insulation, air heating and double glasses, the "Livingstone" is very well suited for longer journeys and stays on board. Equipped with two cabins, extensive navigation equipment, a hydraulic bow, stern truster, windlass and a generator. It is an ideal ship for discovering European waters. A viewing is certainly worthwhile to admire this beautiful ship in our covered sales hall in Sneek.
