FARR 525 DECK SALOON

BROKER'S COMMENTS

The Farr 525 is the evolution of the previous successful Farr 50 Pilot House. She has the same hull but with its light modern mahogany interior, her spacious saloon, galley and three cabins, she has become a contemporary cruiser and the journey is guaranteed to be comfortable. Significant for this model are her twin cockpits, one for sailing and the other for relaxation being protected by a sprayhood. Farr 525 DS takes her place among the fastest long-distance cruisers, and thanks to her cutter rig, she has the flexibility required for all kinds of weather. Overall, she is worth a serious look
