BROKER'S COMMENTS

GetAway Machines, a perfect combination of a cabin and a ship "the Marine Cabin". The Marine Cabin is a ship of 20 meters long and 5 meters wide made of raw aluminum. The ship is like an attractive modern house with roof terrace and gigantic windows for a panoramic view. The 60m2 living room / kitchen is fully equipped where you can lounge at the dining table as well as warm by the wood stove. The bedrooms have wonderfully spacious beds with a modern bathroom. The "GetAway Machine" can be seen by appointment in our sales harbor in Katwoude.
