KLAVERVIER 900 OK

BROKER'S COMMENTS

This charming Klavervier 900 OK open cockpit motor cruiser, that looks like a mini Super Van Craft, will surprise you with the attention to detail and the surprising amount of storage space. Perfectly suitable to cruise the inland waterways in style and very economical because of her size and modern diesel engine. "La Vie" comes with important options such as heating, bow thruster, hot water, cockpit canvas, LED lights, electric windlass, and much more. She is ready to sail so please come inspect the Klavervier 900 OK at De Valk Zeeland.
