

## DOGGERSBANK 502A

## BROKER'S COMMENTS

This Doggersbank 502A is a charming classic Dutch motor yacht from the famous Doggersbank range, designed by Vripack Yachting. With a large flybridge (with bimini) and spacious aft deck this Doggersbank offers a lot of space, inside and outside. This Doggerbank is easily accessible through her sidedecks with opening railings. Twin diesel engines (from 2019) make her very economical and reliable while cruising.
