BENETEAU OCEANIS 60

BROKER'S COMMENTS

The Beneteau Oceanis 60, designed by Berret Racoupeau / Nauta Design, is simply a spectacular boat, well suited to passage making, a boisterous daysail or lounging on a sunny day. Easy to handle with two wheels, E-winch, auto pilot, bow thruster and a strong engine. Well equipped with B&G navigation equipment. The interior has a friendly stair down to the saloon, which is light, comfortable and spacious with good ventilation. A nice master cabin & two guest cabins all with their own bathroom. Ready for new adventure's, for private owners and VAT free available for companies.
