BARKAS 1100 OK

BROKER'S COMMENTS

This Barkas 1100 OK is a design by L.M. Huitema and built by Consonant Yachts. Very safe to sail and easy to maneuver due to the two Nanni 62 HP engines and the hydraulic bow thruster. The yacht has had a major renovation this winter; hull-deck superstructure and underwater hull completely painted, electric system replaced, teak wood repaired where necessary and many more things have been renewed. The boat is in The Netherlands (Zeeland) ashore inside the shipyard, can be viewed by appointment, ready for new sailing pleasure.
