JAN VAN GENT 10.35 CABIN

BROKER'S COMMENTS

The Jan van Gent 10.35 Cabin is maybe the only 10.35 that is equipped with all that you can wish for. For the last 2 years the Reves de L'eau undertook a refit to make her up to the current standard and even better! The vessel was repainted, got new upholstery, a new table, new stainless steel railings and cooldrawers to name a few. After a good polish, new antifouling and an engine service this spring, the Jan van Gent 10.35 Cabrio is ready for a new season.
