BENETEAU 57

BROKER'S COMMENTS

This Beneteau 57 is a very well maintained sailing yacht. Whenever you buy a boat, you also buy her history and the sellers accuracy for keeping her in shape. With this yacht you cannot go wrong: A long record of overfulfilling service is collected for this yacht. She is more than ready to go from her berth in Greece. Everything is in up to new shape, so there is just happy sailing and holidaying left to do. Only second owner. Please ask for more information. Visitation very recommended.
