## BROKER'S COMMENTS

This Sea Fox 256 CC is for many the Sportfisher mans dream. Easy walk around with no obstacles, a well protected steering position added with a custom hardtop, especially built on request of the present, first, owner. The 2 economical and very quiet Suzuki engines produce a comfortable ride at speed, but when fishing a very stable platform to work from. Owner kept this boat in excellent condition; she is absolutely ready to go.
