DEHLER 34

BROKER'S COMMENTS

The Dehler 34 has been widely acclaimed, She's fun to sail, Well made and in competition form can be successfully campaigned. In Standard format she is a great fast cruiser. She is another striking design from Judel/Vrolijk with up to the minute styling and sporty characteristics. Well placed control lines, a German main sheeting system and self tailing winches make adjustment of everything quick and easy. You can easily race this boat with a small crew and still be competitive against bigger boats.If you are looking for a recent cruiser/racer, this Dehler 34 is well worth a look!
