## BROKER'S COMMENTS

Hatteras 45 C is a tough, sturdy, very good sailing semi displacement motor yacht. Equipped with spacious, well-arranged seats on the fly bridge from which everything can be operated. A spacious cockpit below, with a low free board so that you can easily step on board, both from the side and from behind through the transom opening. Well maintained for many years and owned by the 2nd owner, hull/deck/superstructure and fly bridge look very neat. The interior is nice and in the original condition. Located in southwestern part of The Netherlands, she can be viewed by appointment.
