ALOA 28

BROKER'S COMMENTS

The Aloa 28 is a clever concept and extreme seaworthiness in an 28 footer.The mast is taller and has been fractionally rigged. This improves the trim options and allows one to mount the gooseneck higher. More headroom in the cockpit, even in case of sudden manoeuvres. The sail controls of the Aloa 28 are controlled from the cockpit.

Mark Hesselmans

SPECIFICATIONS

Dimensions	8.50 x 2.85 x 1.45 (m)	**Builder**	Dutch Bay Composite Yachts Ltd
Built	2008	**Cabins**	1
