## BROKER'S COMMENTS

The Dehler 38 has been on the market since 2013, further developed and perfected over the years. This makes it a sporty cruiser that delivers excellent performance under all conditions. Safe and comfortable with a modern bright interior, 3 cabins, spacious 'wet room' and a fully equipped modern galley. Check the wide ergonomic cockpit, the retractable bathing platform, the large cockpit table and double steering wheels and you'll be convinced immediately that Judel & Vrolijk designed it all with lots of experience. She is available from the end of September. Price includes VAT and deductible.
