JEANNEAU SUN ODYSSEY 45 DS

BROKER'S COMMENTS

This Jeanneau 45 DS is a beautifully lined, high-performance large touring yacht. Ship's architect Philippe Brian and Jeanneau designed a spacious interior with a very spacious cabin in the front and rear with a total of 6 berths. The current owner maintains her very well and she is well equipped with Raymarine navigation instruments, up to date electrical system, among others. She is also provided with new antifouling in 2021. This sailing boat represents the harmonious balance between space, comfort and elegance. She is ready for the adventures with her new owner!
