ALUMINIUM 53 FT DECKSALON

BROKER'S COMMENTS

Beautiful lined aluminium Decksalon 53 ft. Very strongly built and equipped for long distance cruising. Below-decks she has a good layout and lot of stowage-space. She is easy to handle for a small crew. Equipped with an extensive navigation package, two Perkins engines, good rigging and a KVH satellite antenna, she is suitable for both short and long stays. Possible to fall dry
