

## SEALINE F42/5

## BROKER'S COMMENTS

WOW, That was my first reaction when I laid eyes on this Sealine F42/5 from the original owner. Maintained to a very high standard with a fully documented service history. Galley up layout with three sleeping cabins and two en suites and a pull out settee berth as well so she can sleep seven in comfort! Typical Sealine features such as lots of storage space, rotatable flybridge helm bench, S.E.C.S. and much more. Twin 370 hp Volvo Penta engines provide economical performance. This Sealine F42/5 is available for viewing on appointment near our office in Sint Annaland. Please contact us now!

*Nick Lanting*
