BROKER'S COMMENTS

Well maintained De Vries Lentsch Cutter named "Allure". This De vries Lentsch Cutter is a beautiful timeless model designed by "Willem de Vries Lentsch" and very solidly built with her steel hull and aluminum superstructure. In 2021 the "Allure" was refitted with recent navigation equipment and new double glazing was installed with plastic window frames. This exclusive cutter is also equipped with stabilizers, hydraulic bow, stern thruster and mast, central heating, floor heating, air conditioning, etc.. In short, an extremely comfortable De Vries Lentsch Cutter for long stays!
