## BROKER'S COMMENTS

"The Cobrey 33 HT is characterised by a streamlined, elegant hull with carefully designed windows, which together with the inventive layout of the boat creates a very spacious experience. Below deck is a rear cabin that extends over the entire width of the ship and provides a spectacular view. In the open wheelhouse you can enjoy the panoramic sliding roof and there is enough space to sit with a large group. For easy manoeuvring, this Cobrey 33 HT is equipped with Volvo Penta Joystick docking. "
