KOK VINKEVEEN 1850

BROKER'S COMMENTS

This strong and partly refitted (2021), Dutch steel hull Kok Vinkeveen 1850, has a very spacious layout with 10 berths.The very large aft deck area with sunbeds on the bow, leads you to the bridge area, and further down to a large and light salon. The large master cabin aft and 3 guest cabins forward give cabin space to 10 people. Everything is generally neatly done, maintaining the spirit of the original design. Larger jobs are pending, but the hull thickness is verified, and the engines respond well. The beautiful head turning classic design make this vessel unique.
