## BROKER'S COMMENTS

The Greenline 40 is one of most iconic motor yachts in recent years and this example has the unique optional hybrid propulsion with which you can sail for 20 nm in silence. This Greenline 40 Hybrid has an extensive equipment list and is very well maintained and has only 3 owners since new. She is suitable for offshore use (CE Class B) as well as for inland waterways (low air draft. She offers a lot of comfort and space with a large saloon, two bedrooms, one en suite bathroom and a galley aft. Don't hesitate and contact us for a viewing. We expect her to sell quickly!
