DEHLER 41 CRUISING

BROKER'S COMMENTS

The Dehler series are not only famous for their well performing yachts and German build quality but also for their uncompromising ease of handling. The Dehler 41 Cruising is the result of over 40 years experience in yacht building, featuring details that make this yacht as fast as she is also safe and easy to handle. This Dehler 41 Cruising comes well equipped and ready to go for another season of fun and safe family cruising. This is the more sought after 3 cabin version. So space and privacy for all onboard including a huge galley with lots of stowage space throughout.
