BEAVER 28

BROKER'S COMMENTS

The Beaver 28 is a fast and elegant boat. Her characteristics and off-white colored hull give her a classic look. The seating area offers space for 6 guests and includes features such as a sink, toilet and a fore cabin where you can spend the night. The Beaver 28 is well maintained and only has 1300 hours on the engine. The double Yanmar engines provide the speed of 22 knots and the possibility to waterski.
