SCANNER 391

BROKER'S COMMENTS

The Scanners 391 are a success. Lovers of Scandinavian yacht building will certainly be quickly inspired. Because neither the sailing performance nor the quality of construction need to hide behind a modern construction. With its fractional rig, it is easy to handle for a small crew. The current 1st owner has not only looked after the ship very well but has also invested regularly, which means that this yacht is in excellent condition.
