

PRINZ 54 COUPE

PRINZ 54 COUPE

BROKER'S COMMENTS

The PRINZ 54 Coupé is a revolutionary sportcruiser combining the latest technologies in modern motoryacht construction, propulsion technology and high quality production techniques. Excellent levels of internal volume and comfort have been achieved by using the new Volvo-Penta IPS-system, which means smaller engines can be fitted for improved fuel economy with a maximum speed of 33 knots

Eric Lamers
