SALUT 38

BROKER'S COMMENTS

The Salut 38 is made with the same philosophy as the Salut 29: design & functionality should complement each other. The signature is identical, indistinguishably Salut.With two or even three outboards (inboards on request) and a fast planing hull, no compromises had to be made. Speeds of +40 knots with ease.Stepping aboard you will be overwhelmed with luxury, only the best materials are good enough to combine true luxury and elegancy.

Mark Hesselmans
