# MITCHELL 31 MKIV

## BROKER'S COMMENTS

The Mitchell 31 MK IV is designed for all types of weather and waters you may encounter during your trips. Well known in the MkI-II version as a pilot tender or fisherman. The Mitchell 31 MkIV is the best for cruising with larger accommodations and user-friendly layout. With her twin 135hp diesel she can cruise up to 15 knots so she is a fast, safe and reliable passagemaker. Her current 2nd owner installed lots of new equipment in 2019 and kept her in good condition. She is a classic open cockpit motoryacht very much comparable to the rugged Nelson, Aquastar, Weymouth and Halmatic motoryachts.
