ARCTIC BLUE 27

DE VALK
YACHT BROKERS

BROKER'S COMMENTS

Incredibly agile and dynamic boat with unique performance and looks, guarantees the safety of the crew even in the harshest weather conditions. Plexiglas windscreen protects you from the water that appears with speed. The sun bed near the engine hatch provides relaxing moments where you can clear your head and enjoy the cruise. Electric engine hatches provide easy access to the engine.

Jochem Heijermans
