BROKER'S COMMENTS

This richly equipped Alm Kotter 13.30 was built and delivered in 2001. The ship is in well-maintained condition and has many features. With a good Perkins engine with 185 hp, bow and stern thruster, the ship is easy to manoeuvre. The presence of a stove, generator and double glazing makes it possible to live or stay on board for a long time. Make an appointment to view this beautiful "Spiegelkotter" in Loosdrecht.
