GREENLINE 33 HYBRID

BROKER'S COMMENTS

Innovative and multifunctional, the Greenline motor yachts are well established. The Greenline 33 Hybrid is the most complete version of this model. Including Hybrid package, electric drive, the largest engine package of 165 hp and bow thruster etc. You will certainly appreciate the spacious and easily accessible cockpit in combination with a opening window, sliding door and electrically operated bathing platform. Inside you will find a spacious and light interior. A yacht known for its silent, economical and fast ride.

Bas Lohmann
