WATERDREAM LIMOUSINE TENDER

BROKER'S COMMENTS

Are you looking for a spacious tender that can accommodate up to 14 people? Then this Waterdream is the perfect candidate! With her low air draft of 2 metres and a draught of only 90 cm, she can go to many places. Moving through the water is easy thanks to an electric motor. She is very easy to manoeuvre thanks to the Vetus bow thruster. Inside, she is equipped with spacious sofas, LED lighting, 2 fridges and separate bathroom. Would you like to know more about this tender or take a closer look? Then feel free to contact us.
