VAN VOSSEN PATROUILLE 1200XL

BROKER'S COMMENTS

Fine example of the well appreciated typical open cockpit Dutch built steel motor yacht. The Van Vossen 1200 XL Patrouille (patrol) has a nice open floor same level interior layout. So easy access via deck, bathing platform, galley, bathroom and salon. Fitted with a sturdy 170hp Volvo diesel, she can cruise also the more rugged waters in Europe. Creature comfort like central heating, double glazing, bowthruster, genset etc. Nice deep cockpit with ample seating and big storage under the cockpit floor. From her first and only owner. Completely Awlgrip painted July 2021.
